Dear Mr. Whyrick:

Enclosed please find the following documents from the Cummings for Congress Campaign Committee (C00310318) pursuant to your correspondence dated April 10, 2001.

- **Revised January 31 Year end Report for the period 7/1/99 – 12/31/99**
The report was revised to correct the receipt of Mr. Harold Donofrio contribution for the General and Primary elections. The General box was selected in error for the period.
- **Revised 30th Day Report for the period 10/19/00 – 11/27/00**
The report was revised to correct the cash summary calculations (lines 23 – 27) and provide documentation of "best effort" attempts.

The Purpose of Disbursement for the \$2,100 Ben Cardin for Congress expense in the January 31st Year end Report for the period 11/28/00 – 12/31/00 was modified to include "Cost for Election Night 2000 Party" instead of the previous reported "Election Night 2000 Party". The expense represents shared celebration cost between the campaigns for election night.

Please call me at (410) 669-8400, if you have any reason to do so.

Sincerely,

Ron Thompson
Treasurer
